Education & diplomas

Switzerland offers you a wide range of vocational training and further education in all occupational fields.

The selection of educational opportunities in Switzerland is very large.

You can complete international degrees, diplomas, certificates, and much more.

This allows you to shape your professional career individually and achieve your professional goals through further training.

Foreign diploma

In Switzerland, depending on your profession, you may need to have your foreign diploma recognised.

Therefore, first check whether you can work in Switzerland with your diploma:

Support from the Career Guidance Service

You can contact the cantonal vocational, study and career counselling service at the [Career Information Centre \(BIZ\)](#) for a free consultation.

There you will also find out how to proceed in order to have your educational qualification recognised.
