Recognition of international degrees

In Switzerland, many professions require recognition of the foreign diploma.

Some professions are regulated in Switzerland. Depending on the profession, you will need certain skills and qualifications and a recognised education certificate to work in this profession.

For more information, please contact **SBFI** ([🔗 State Secretariat for Education, Research and Innovation](#)) **National Contact Point**. The contact point will inform you about:

- the practice of a profession with a foreign diploma
- competent authorities for recognition
- the regulation of professions
- Certificates for foreign authorities

Can you work in Switzerland with your foreign professional qualification?
