Teachers

There are different teachers in a class. The class teacher is the first point of contact for all parents' questions from everyday school life.

School management

The school management runs the school on behalf of the school authority. She represents the school to the outside world and is responsible for the day-to-day running of the school. The school management is the point of contact for pupils and their parents in matters that cannot be discussed directly with the class teacher or that are of overriding importance.
